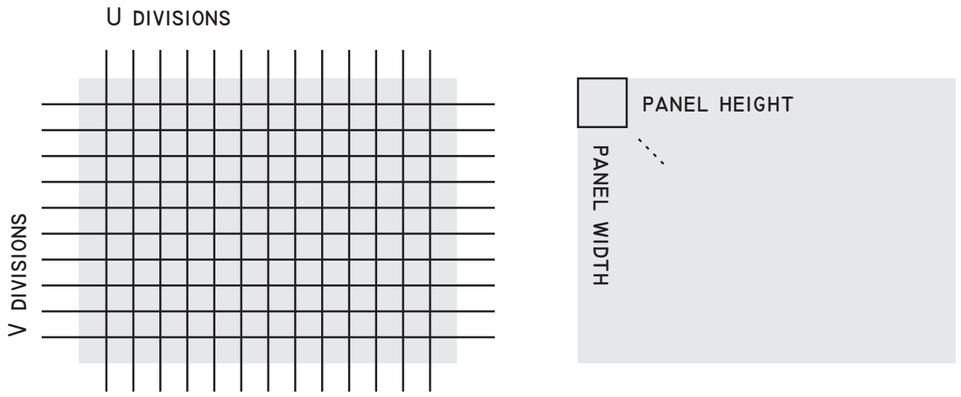
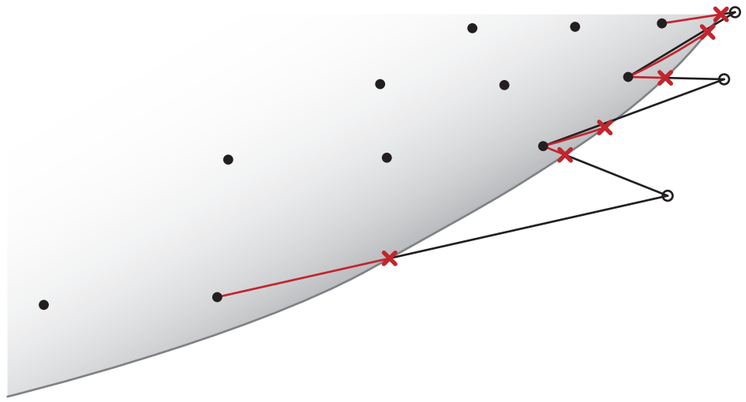
Surface Subdivision for Ecotect Analysis

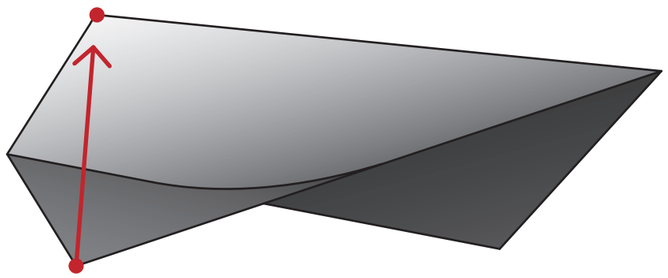
<1> Divide the Surface

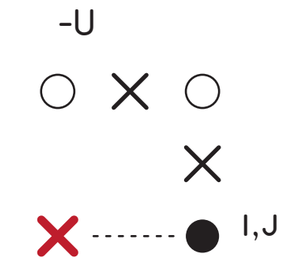


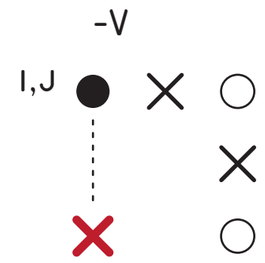
<2> Find Edge Points

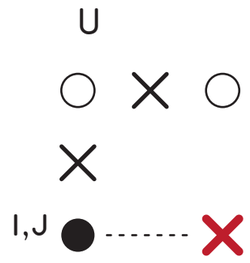


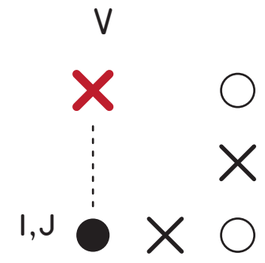
<3> Make Panels Planar

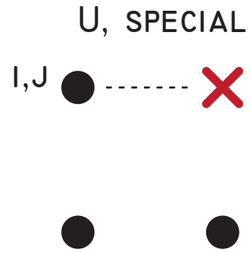


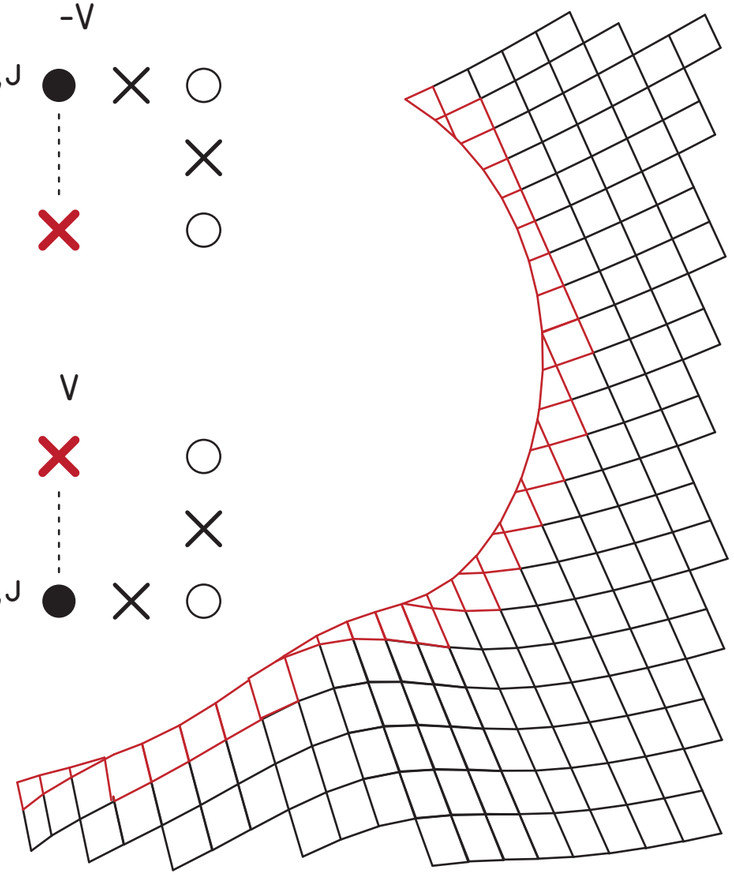




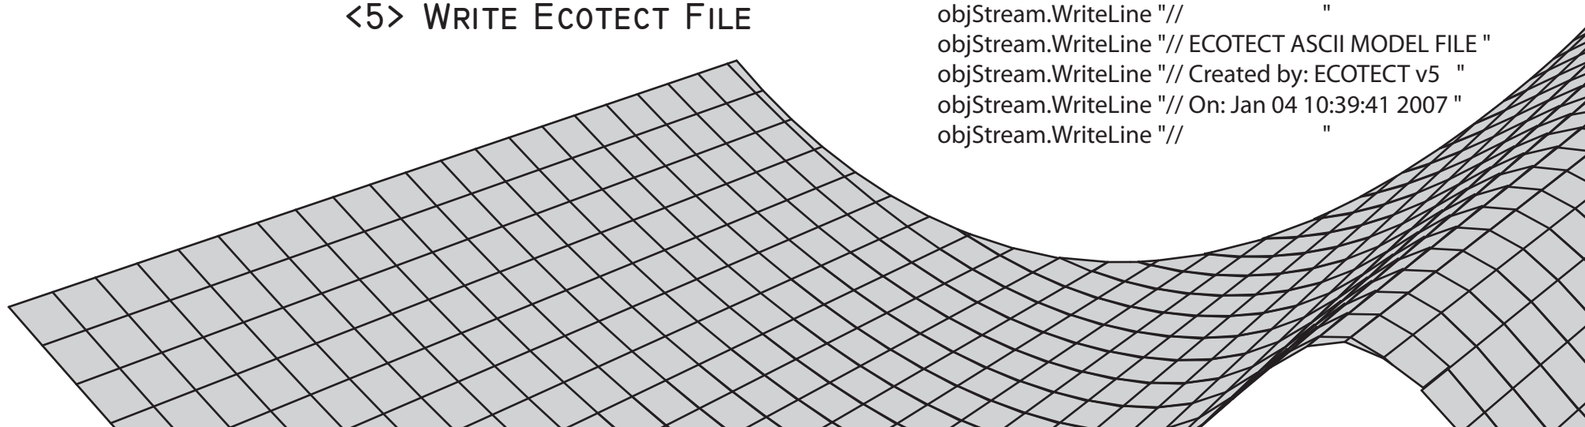








<4> Calculate Edge Panels

<5> Write Ecotect File


```
objStream.WriteLine "//                          "
objStream.WriteLine "// ECOTECT ASCII MODEL FILE "
objStream.WriteLine "// Created by: ECOTECT v5   "
objStream.WriteLine "// On: Jan 04 10:39:41 2007 "
objStream.WriteLine "//                          "
```
